Denise,

I have checked with others in the office and I have looked, we have no responsive records.

Let me know if I can be of any additional help.

I'm pretty sure we don't have any what they are requesting, but I will look in our records area and will ask the folks that have been here the longest.

Please provide all records regarding Pasco Sanitary Landfill, also known as Pasco City Refuse Site (as referenced in the attached EPA memo named BDI0019168), including but not limited to records documenting its inclusion on the National Priorities List in 1988 and an inspection of the site performed by EPA in 1984 as referenced in the attached letter (DOE000037). We are requesting that you search the records of the Office of Air, Waste and Toxics, the Office of Compliance and Enforcement, and the Office of Environmental Cleanup.

Hello Rod,

Can you review this request and let me know if you or anyone else in Hanford may have responsive records to answer this FOIA request please? Thank you. I have also tasked AWT and OCE as well.

Sincerely,
Denise Ripley
